Dear Mr. Grant:

In regard to your memorandum of March 3, 1997, concerning the Cablevision Trust Fund, I would like to call your attention to item number 5 under your listing of the financial status of the fund. Please be advised that no expenditure of dollars will be allocated until the City Council and administration have developed a joint plan to create a government channel and municipal studio whose sole purpose would be to disseminate information to Newark residents.

No city funds are to be appropriated until this plan is ready for implementation.

Thank you.

Sincerely,

**Sharpe James
Mayor**
